

Agenda

Date: 28 June 2022

Time: 09:30-16:45, networking drinks reception to follow

Venue: Eastside Rooms, Woodcock Street, Birmingham, B7 4BL

Event Aims:

1. To celebrate and showcase the achievements of the Hubs, Gateway and Alliance (Digital Innovation Hub Programme)
2. To identify future opportunities and planning the legacy of the DIH programme
3. To bring the health data infrastructure community together
4. To promote services to current and potential new partners
5. Introduce legacy activities e.g. building the Hub Network

Attendees:

This is an in-person event as we want to encourage attendees to network and build connections. If you are unable to join the full event, the plenary sessions will be live-streamed.

Attendees include:

- Data users from industry, academic and healthcare
- Regulators – colleagues working in organisations such as the NDG, ICO
- Funders – existing funders including UKRI and potential new funders
- Clinicians with an interest in data research
- Public and patient representatives
- Partners in the Alliance and Hubs

Introduction

This event will replace the annual Alliance Symposium and will celebrate the achievements and the legacy of the Digital Innovation Hub (DIH) Programme, including the Hubs, Gateway and Alliance. Taking place after the Hubs final milestone, the event will be an opportunity to formally recognise the impact of the DIH Programme, funded by UKRI's Industrial Strategy Challenge Fund.

<i>Time</i>	<i>Item</i>	<i>Speaker</i>
